

In the Claims:

Please enter the following listing of claims:

1. (Currently Amended) A method of enclosing an area, comprising the steps of:
 - a. providing at least one screening member,
 - b. providing at least one removable shelf; and
 - c. horizontally supporting said at least one removable shelf with said screening membersuch that the screening member and said at least one shelf are configured to enclose the area,
wherein said at least one removable shelf is horizontally supported through frictional engagement with the screening member and an existing wall.
2. (Original) The method of claim 1, wherein said screening member is planer.
3. (Original) The method of claim 1, wherein said screening member comprises drywall.
4. (Original) The method of claim 1, wherein said screening member is removable.
5. and 6. (Cancelled).

7. (Currently Amended) A shelving unit, comprising:

a screening member; and

at least one removable shelf in contact with and horizontally supported by said screening member, wherein the screening member and said at least one shelf are configured to enclose an area, and wherein said at least one removable shelf is horizontally supported through frictional engagement with the screening member and an existing wall.

8. (Original) The unit of claim 7, wherein said screening member is planer.

9. (Original) The unit of claim 7, wherein said screening member comprises drywall.

10. (Original) The unit of claim 7, wherein said screening member is removable.

11. and 12. (Cancelled).

13. (Currently Amended) A shelving unit, comprising:

at least two screening members; and

at least one removable shelf in contact with and horizontally supported by said screening members, wherein the screening members and said at least one shelf are configured to enclose an area, wherein said at least one removable shelf is horizontally supported through frictional engagement with the screening member and an existing wall.

14. (Cancelled).

15. (Original) The unit of claim 13, wherein said screening member is planer.
16. (Original) The unit of claim 13, wherein said screening member comprises drywall.
17. (Original) The unit of claim 13, wherein said screening member is removable.
18. and 19. (Cancelled).
20. (Original) The unit of claim 13, further including a removable back member in contact with said screening members and disposed between said at least one removable shelf and said area.
